

UNITED STATES DISTRICT COURT
DISTRICT OF NEW JERSEY

IN RE CELGENE CORPORATION
SECURITIES LITIGATION

Case No. 2:18-cv-04772 (MEF) (JBC)
CLASS ACTION

**ORDER AWARDING ATTORNEYS' FEES
AND LITIGATION EXPENSES**

This matter is before the Court on Class Counsel's motion for an award of attorneys' fees and Litigation Expenses. The Court having considered all matters submitted to it; and it appearing that notice substantially in the form approved by the Court, which advised of Class Counsel's request for an award of attorneys' fees and Litigation Expenses, was mailed to all Class Members who or which could be identified with reasonable effort, and that a summary notice substantially in the form approved by the Court was published in *The Wall Street Journal* and transmitted over *PR Newswire* pursuant to the specifications of the Court; and the Court having considered and determined the fairness and reasonableness of the attorneys' fees and Litigation Expenses requested,

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. This Order incorporates by reference the definitions in the Stipulation and Agreement of Settlement dated as of November 4, 2025 (ECF 479-2) ("Stipulation"), and all capitalized terms not otherwise defined herein shall have the same meanings as set forth in the Stipulation.
2. The Court has jurisdiction to enter this Order and over the subject matter of the Action and all Parties to the Action, including all Class Members.

3. Notice of Class Counsel's motion for an award of attorneys' fees and Litigation Expenses was given to all Class Members who or which could be identified with reasonable effort. The form and method of notifying the Class of the motion for an award of attorneys' fees and Litigation Expenses satisfied the requirements of Rule 23 of the Federal Rules of Civil Procedure, the United States Constitution (including the Due Process Clause), the Private Securities Litigation Reform Act of 1995, 15 U.S.C. § 78u-4, as amended, and all other applicable law and rules, constituted the best notice practicable under the circumstances, and constituted due and sufficient notice to all persons and entities entitled thereto.

4. Plaintiff's Counsel are hereby awarded attorneys' fees in the amount of _____% of the Settlement Fund (which amount includes interest) and \$_____ in payment of Plaintiff's Counsel's litigation expenses (which fees and expenses shall be paid from the Settlement Fund), which sums the Court finds to be fair and reasonable. Class Counsel shall allocate the attorneys' fees awarded among Plaintiff's Counsel in a manner which it, in good faith, believes reflects the contributions of such counsel to the institution, prosecution, and settlement of the Action.

5. In making this award of attorneys' fees and payment of expenses from the Settlement Fund, the Court has considered and found that:

A. The Settlement has created a fund of \$239 million in cash that has been funded into escrow pursuant to the terms of the Stipulation, and numerous Class Members who submit acceptable Claims will benefit from the Settlement that occurred because of the efforts of Plaintiff's Counsel;

B. The requested fee has been reviewed and approved as reasonable by Plaintiff, a sophisticated institutional investor that actively supervised the Action;

C. Over 767,000 notices were mailed and/or emailed to potential Class

Members and Nominees stating that Class Counsel would apply for an award of attorneys' fees in an amount not to exceed 22.2% of the Settlement Fund and for payment of Litigation Expenses in an amount not to exceed \$5.75 million, and only two objections to the requested attorneys' fees have been received, which the Court has considered and rejected;

D. Plaintiff's Counsel conducted the litigation and achieved the Settlement with skill, perseverance, and diligent advocacy, and prosecuted the Class's claims through full discovery, class certification, and summary judgment;

E. The Action raised a number of complex issues, including those described in this Court's Opinion and Order dated December 5, 2025 granting Plaintiff's motion for preliminary approval of the Settlement (for example, the ability to establish scienter and maximum claimed damages) (ECF 488);

F. Had Class Counsel not achieved the Settlement there would remain a significant risk that Plaintiff and the other members of the Class may have recovered less or nothing from Defendants;

G. Plaintiff's Counsel devoted more than 76,000 hours, with a lodestar value of \$49,874,424.50, to achieve the Settlement; and

H. The amount of attorneys' fees awarded and expenses to be paid from the Settlement Fund are fair and reasonable and consistent with awards in similar cases.

6. Plaintiff AMF Tjänstepension AB is hereby awarded \$_____ as reimbursement for its reasonable costs and expenses directly related to its representation of the Class in the Action.

7. Any appeal or any challenge affecting this Court's approval regarding any attorneys' fees and expense application shall in no way disturb or affect the finality of the Judgment.

8. In the event that the Settlement is terminated or the Effective Date of the Settlement otherwise fails to occur, this Order shall be rendered null and void to the extent provided by the Stipulation.

9. There is no just reason for delay in the entry of this Order, and immediate entry by the Clerk of the Court is expressly directed.

SO ORDERED this 8th day of May, 2026.

The Honorable Michael E. Farbiarz
United States District Judge
